

Art 317 Project One Working Critique

Name: (of site) _____

Name (of reviewer)

Is the content visually and conceptually interesting?

Is there visual continuity (text, color, alignment) between elements of the page?

Is the content well written and interesting? Is it legible?

Do links work properly (both physically and visually—as in—did you know it was a button?)

Is the blog functioning?

Is there an effective visual hierarchy?

Name (MIN) one thing that this designer should work on in the next week
